

NHSTE PL Bundle Packs 2022-2023

Buy a Bundle ~ Save a Bundle

Save Money: Get 5% to 10% off the price of NHSTE professional learning events and the Christa McAuliffe Transforming, Teaching, & Technology Conference (CMTC) registration fees.

Save Time: Stop filling out multiple purchase orders. Buy one year's worth of NHSTE professional learning events with one purchase order. Receive event coupon ID numbers to place on all registration forms or enter online, all from one purchase order. It's that easy!

Save Headaches: Less paperwork, less planning, and more freedom to act on short notice.

More Flexibility: Receive all your coupon ID numbers up front to distribute at your convenience.

More Participation: Freedom to get more people involved in NHSTE professional learning events.

NHSTE onsite professional learning events include:

- Christa McAuliffe Transforming, Teaching, & Technology Conference (CMTC)
- N³ – NHSTE’s Night of Networking (Annual Meeting) each fall
- Makey Makey MITI Workshops
- Digital Learning Specialist RoundTables
- Other professional learning events sponsored by NHSTE throughout the year

A Better Way: There is now an easier way to link New Hampshire teachers and administrators to the latest technology information and training. NHSTE offers Bundle Packs to K-12 school districts that open the door to NHSTE workshops and special events.

An Easier Way: Bundle Packs come in several sizes that are sure to fit your need and budget. Each pack comes with coupon ID numbers that can be used to pay for workshops or NHSTE-sponsored special events. Coupon ID numbers can be passed out as needed, allowing a variety of teachers, administrators, and staff to take advantage of these offerings.

A More Organized Way: Bundle Packs solve a lot of bookkeeping headaches. A number of professional learning events can be paid for in one purchase instead of having to process many purchase orders throughout the year. **The coupon ID numbers work like cash and are valid for one year from date of purchase of your bundle.**
