Audiences, Themes, & Opportunities

Who attends CMTC ???

The *Christa McAuliffe Transforming, Teaching, & Technology Conference* is one of the premier professional learning events convening New Hampshire educators across the spectrum of roles and responsibilities. This diversity presents the opportunity for engaging dialogs and enhanced problem-solving.

- * K-12 Educators
- * District Administrators
- * School Administrations
- * Curriculum Leaders
- * Directors of Technolog
- * Digital Learning Specialists
- * Library Media Specialists

Themes for 2023

Innovative Learning

- * Exploring effective "how to" classroom strategies
- * Investigating emerging digital learning resources
- * Sharing your experiences and expertise with multiple audiences

Visionary Leadership

- * Researching and addressing current challenges and opportunities
- * Creating the right team for impacting positive change
- * Advocating for learner centered innovation and personalization

Pioneering Learning Environments

- * Designing and supporting technology ecosystems in schools and classrooms
- * Addressing physical and digital security and privacy issues
- * Developing processes, procedures, and guidelines

Digital Dexterity

- * Empowering responsible and ethical technology use
- * Facilitating a culture of understanding, collaboration, and responsibility
- * Building a community of fairness, equity, and inclusion

Exploratory (concurrent) Session (50-minute ~ onsite & virtual)

Both virtual and onsite Exploratory (concurrent) sessions are 50 minutes long. Onsite Exploratory (concurrent) sessions will be scheduled on Tuesday and Wednesday during four time blocks, two before and two following the keynote luncheon. Virtual Exploratory (concurrent) sessions conducted via Zoom will be scheduled on Monday and Thursday. You are invited to submit an onsite or virtual proposal for an interactive demonstration or panel discussion that promotes the conference themes.

Interactive Hands-on Workshops (90-minute, 2-hour, or 3-hour ~ onsite & virtual)

Interactive Hands-on Workshops (90-minute, 2-hour, or 3-hour), are offered on Tuesday and/or Wednesday during both the morning and/or afternoon. All of these workshops are offered in the Bring Your Own Device (BYOD) format ~ participants bring their own device (BYOD). Workshop topics are generally platform neutral, web-based, and/or device

STUDENT VOICE in 2023

Students across the nation have experienced a year of remote learning followed by a "new normal". We seek to hear their voice, discover their reactions, and learn of their experiences. CMTC23 seeks student-led and/or co-lead presentations accompanied by an educator or parent for all presentation options ~ both onsite and virtual. Proposals including student perspective will be given priority review and acceptance. All proposals must be submitted by **Tuesday, June 6th**.

Happening in 2023

Monday ~ opening virtual panel presentation & evening concurrent sessions

Tuesday ~ keynote, concurrent, interactive hands-on sessions plus lots of fun & engagement

Wednesday ~ keynote, concurrent, interactive hands-on sessions plus lots of fun & engagement

Thursday ~ virtual concurrent sessions & closing keynote

Monday through Thursday ~ FOUR days of VIRTUAL content

Benefits • Responsibilities • Deadlines

Benefits

- * Onsite 3-hour Interactive Workshop presenters and co-presenters receive free conference registration including lunch on the day of the workshop. They also have the option of receiving a \$50.00 honorarium OR a second free conference registration.^*
- * Onsite 90-minute or 2-hour Interactive Workshop presenters and ONE co-presenter receive free onsite conference registration including lunch the day of their presentation(s).*
- * Onsite Exploratory (Concurrent) Session presenters and ONE co-presenter receive free onsite conference registration including lunch the day of their presentation(s).*
- * Virtual Exploratory (concurrent) Session and Interactive Workshop presenters and ONE co-presenter receive free virtual conference registration (virtual conference registration includes all virtual events ONLY Monday through Thursday).*

Responsibilities

- * Virtual and onsite presenters are responsible for preparing and posting copies of any necessary participant handouts and/or resources using the Conference Extensions section of the CMTC website to preserve natural resources.
- * Virtual and onsite presenters must provide their own computing device(s)/ peripheral(s)/application(s) required for the presentation.
- * Onsite presenters will be provided with access to a separate, password protected wireless network (unless otherwise requested) and projection capability in ALL presentation rooms. Additional AV equipment, for example, monitor/ DVD, document camera, or speakers, may be available if requested in advance.
- * Virtual presenters must have access to the conference provided Zoom account

Deadlines

Proposals must be submitted using the online Call for Presenters application by **Tuesday, June 6th.**

Access the online submission application using the quick link on the home page of the conference website
~ www.nhcmtc.org.

Proposals may be submitted online beginning **Tuesday, May 9th.**

It's as easy as 1, 2, 3...

1. Go to www.nhcmtc.org and click on "PRESENT" in the top right-hand corner of the home page.
2. Hover over the Registration tab and select Proposal Submission Process.
3. Follow the directions for each step of the proposal process.

You will receive an email confirming receipt of your proposal within 24 hours, as well as a confirmation email in mid-July if your session is chosen for inclusion in the conference offerings.

* The conference is able to provide these registration benefits for a maximum of two (2) presenters for each session. Additional presenters must register & pay for the conference.

^ The Half-Day Interactive Workshop honorarium is available for one (1) presenter & additional conference day is not transferable.
